

## KEGS

Whether you need domestic beer like Busch, premium like Coors Lt or a micro-brew such as Mac & Jacks, we can get you just about anything at competitive prices. We even have access to some local breweries our competitors don't! See inside for prices.

Prices and availability vary so give us lots of notice for best results. Depending on the brand, both full-size and pony kegs may be available.

There is a refundable \$45 keg deposit due up front with each keg purchased(unless you have one to trade). If you need a party tap, we have them available for a refundable \$50 deposit.

Don't forget about trash cans and ice! Trash Cans are available for free with keg purchase and you'll need about 6 bags of ice per keg.

\*We usually have a couple of kegs on hand for those last-minute partys, but special orders need at least one week.
